

PROFILE

I find joy in development by bringing design to life, which is why I wouldn't classify myself as 'hardcore developer' but instead one that can bridge two ways of thinking and put them together.

EXPERIENCE

AUG 2020 - Present

A-town Agency, Associate Designer

For the agency A-town I'm creating brand manuals with all the content and developing website's.

SEP 2019 - FEB 2020

DRIIVN, Design intern

In this periode I did different things like making content for instagram and other advertisements, but the most important was making website's.

AUG 2018 - AUG 2019

Privacy Zeker, Digital Designer

I worked at Privacy Zeker as an Digital Designer. I made website's there but also creating online and offline content.

FEB 2018 - APR 2018

ING, ICEC Internship

I did a short internship at the ING headquarters in Amsterdam. Here is were I found out about my passion for code and design.

EDUCATION

2020 - 2022

WO Master, Television and cross-media culture

In Amsterdam at the University of Amsterdam

2016 - 2020

HBO, Communication Multimedia Design

In Amsterdam at the Amsterdam University of applied sciences.

2011 - 2016

HAVO, Almere College

At a local high-school in Dronten, I followed the profile nature and healte.
